

# Attendance Statement

## Our commitment

Avonreach Academy Trust believes that for students to gain the greatest benefit from their education it is vital that they attend school regularly. We therefore expect all children to be at school on time every day the school is open, unless the reason for absence is absolutely unavoidable. Our schools work together with parents and carers to achieve this. The schools within the Avonreach Academy Trust are successful schools and every student plays an important part in making them so. We aim and encourage all members of the school community to reach out for excellence and to achieve their full potential through the highest possible levels of attendance and punctuality. Each school in the Trust has an Attendance leaflet which contains its individual school attendance targets.
